

TRIUMPHANT Living

Christmas Greetings

Glory to God in the highest and on earth peace, good will toward men.

Luke 2:14

As we reflect back on all the wonderful things the Lord has done, it brings great joy to our hearts knowing He is the same yesterday, today and forever. He is still and always will bless us with His goodness and love.

I remember one year when I was going to be all alone for Christmas. I prayed and asked the Lord to show me something so that I might not feel lonely on Christmas Day even though I was going to be all alone. Reading my morning devotional the morning of Christmas Eve, these words jumped off the page.

“As long as there are people to be loved, you need never to feel alone.”

I knew that was my answer, find someone needing the love of God. That was easy. I rose up early Christmas morning and went to the local hospital to visit patients that were all alone. There were three people whose families lived out of town and would not be able to come and visit. After spending individual time with each of them, they each asked me why I came and said it made their day so special. By the time I left the hospital my heart was overflowing with the joy of the Lord and there was absolutely no room for loneliness. So often I remember this day and it was truly a very special Christmas – I guess you could say it was a Hallmark Christmas for me.

Today I was also reflecting back on my first winter living in the Swiss Alps where I was doing a pioneer work for the Lord.

It's a beautiful village where I lived, especially in the winter.

It was a lonely work in the natural, but again the joy of the Lord was overwhelming and so many came to experience the love of God. What an honor and joy it is to serve the Lord and spread His love.

I loved this assignment from the Lord.

I pray this Christmas finds your heart overflowing with His goodness and love and that you too find someone needing to experience His love for them.

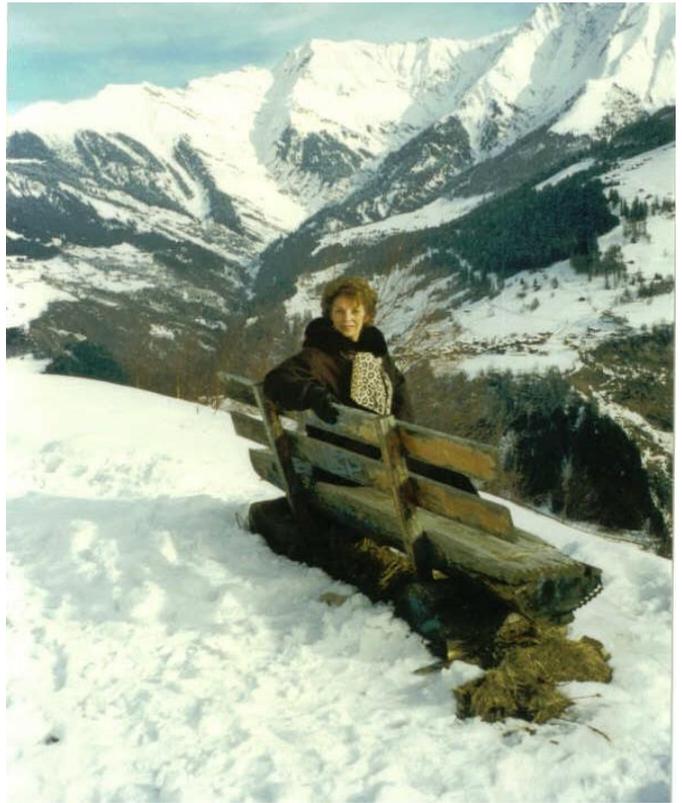

*Joy to the world! The Lord is come.
Let earth receive her King!
Let every heart prepare Him room
And heaven and nature sing
And heaven and nature sing
And heaven, and heaven and nature sing*

*Joy to the world! the Savior reigns
Let men their songs employ
While fields and floods
Rocks, hills and plains
Repeat the sounding joy
Repeat the sounding joy
Repeat, repeat the sounding joy*

*No more let sins and sorrows grow
Nor thorns infest the ground
He comes to make
His blessings flow
Far as the curse is found
Far as the curse is found
Far as, far as the curse is found*

*He rules the world with truth and grace
And makes the nations prove
The glories of His righteousness
And wonders of His love
And wonders of His love
And wonders and wonders of His love*

May you walk in the overflowing of His love this Christmas and all the year long.

Merry Christmas
