

TRIUMPHANT Living

January 2015

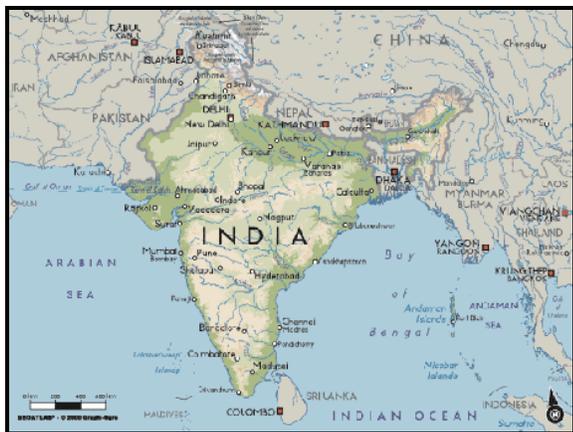

It was truly a fruitful year for the Kingdom of God in 2014 and I believe 2015 will be even greater. The things of God always are moving forward and upward and it looks as though I will be overseas four times this year.

January and the first part of February will be ministry in the United States. Mid-February I leave for ministry in Europe and will minister in Romania and possibly Estonia.

April will be ministry in churches in Germany & Switzerland including the Christian Police Ass. in Zurich. This will be my third time to minister to the Police in Europe and consider it an honor.

June/July is still tentative for the UK – Scotland, Ireland and Holland.

September I will be in Rayakotta, India, 2 ½ hours from Bangalor. I will be teaching all week in the Bible school and church. From there I will minister in numerous churches in Bangalor. I have received another invitation in India that has not yet been finalized. This too will be ministry

in churches, but also in leper colonies where there is a desperate need for the healing power of our Lord Jesus to be taught.

As I mentioned, the trip in mid-February will be in Cluj, Romania.

Ministry will begin with a Sunday AM. service in Cluj and the PM. service in a Roma camp which is a Gypsy camp. Wednesday PM. service will be in a Roma church. Thursday through Sunday will be meetings in another area called Hunedoara. During this week I will possibly be ministering in a woman's prison also.

There is a great need for Bibles in this entire region. As Marilyn Neubauer Ministries had provided Bibles for the Gypsy's in the Czech Republic, I would now like to provide Bibles for the people in Romania.

PROJECT ROMANIA - BIBLES

If you would like to participate in **PROJECT – ROMANIA** your gift will be greatly appreciated. The Bibles will be a tremendous blessing and joyfully received just as they were in the church of the Czech Republic. Thank you for caring!

The goal is 100 Bibles at approximately \$6.45 each, totaling \$645. The Bibles will be in the Romanian language. **PROJECT ROMANIA !**
